Any and all payments shall be applied to Tenant obligations chronologically beginning with the oldest to the most recent. **WHEN YOU PROVIDE A CHECK AS PAYMENT, YOU AUTHORIZE WILSON MANAGEMENT GROUP TO USE INFORMATION FROM YOUR CHECK TO MAKE A ONE-TIME ELECTRONIC FUNDS TRANSFER FROM YOUR ACCOUNT OR TO PROCESS THE PAYMENT AS A CHECK TRANSACTION. IF PAYMENT IS BY CHECK, ONLY ONE CHECK FOR THE ENTIRE PAYMENT DUE SHALL BE ACCEPTED—SEE PAYMENT POLICY.**

There is a mail drop at said address where rent or other payments due may be deposited after hours. No cash payments may be so deposited. TIME IS OF THE ESSENCE.**

- 4. SECURITY DEPOSIT:** Tenant agrees to pay Landlord a security deposit of \$1,400.00 to secure Tenant’s pledge of full compliance with the terms of this Agreement. The security deposit may be applied by Landlord for any monies owed by Tenant under this Agreement or current Florida law, or as may be amended, to physical damages to Premises and to any and all costs and attorneys fees associated with Tenant’s failure to fulfill the terms of this Agreement. Tenant may not dictate that the security deposit be used for any rent due. Should Tenant breach this Agreement by abandoning, surrendering, or being evicted from Premises prior to the expiration of this Agreement, the security deposit shall be forfeited as liquidated damages resulting from breach of this Agreement. In addition, Tenant shall be responsible for unpaid rent, physical damages, future rent due, attorneys fees, court costs, process service fees, costs to re-rent Premises, and any other amounts due under the terms of this Agreement or Current Florida law, or as may be amended.

- 6. LATE PAYMENTS, DISHONORED CHECKS, DELINQUENCY NOTICES, and DELIVERY FEES:** A late payment fee of 10% of the monthly rent amount shall be charged if the rent or other sum due from Tenant is not received on time—see paragraph 3(b) above. Late payment fee charged for late rent will not be waived under any circumstances. In addition, for all dishonored checks Landlord shall charge a dishonored check fee of \$40.00 in addition to the late payment fee. In the event a check is dishonored for any reason, Landlord shall require certified funds. Should Landlord have actual knowledge that there are insufficient funds to cover a check, rent shall be considered unpaid, and Landlord shall not be required to deposit check. The imposition of late payment fees and/or dishonored check fees is not a substitution or waiver of available Florida law remedies. Landlord may impose applicable fees/charges and immediately serve Tenant with a Three-day Notice. Tenant shall be charged, in addition to the late payment fee and the dishonored check fee, a delivery fee of \$30.00 for each delivery of a Notice of Non-Compliance, Notice To Vacate, or any other notice Landlord deems necessary to serve or have served on Tenant.
- 7. OCCUPANCY AND USE:** Occupancy is limited to a total of two persons per bedroom—persons under two years of age are not considered in the count. - (b) Use:** Tenant, members of Tenant’s household, Tenant’s occupants, guests, servants, invitees, or any other persons related to or affiliated in any way with Tenant shall not use Premises for, nor permit or allow on or near Premises the following: hazardous substances; commercial activities; general storage purposes; in-line or skateboard ramps; trampolines; above ground swimming pools; or any other use, purpose, activity, or device that may increase the rate of insurance for Landlord or cause a nuisance or hazard for Landlord or neighbors.
- 8. HAZARDOUS SUBSTANCES:** The term “hazardous substances,” as used in this Agreement, shall mean pollutants, contaminants, toxic or hazardous waste, medical or infectious waste, reactive substances that could explode, or any other substances the removal of which is required or the use of which is restricted, prohibited, or penalized by any “environmental law,” which term shall mean any federal, state, or local law or ordinance relating to pollution or protection of the environment. Tenant hereby agrees that:
- (a)** No activity shall be conducted on Premises that will produce any hazardous substance.
- (b)** Premises shall not be used in any manner for the storage of a hazardous substance.
- (c)** Tenant shall not permit any hazardous substances to be brought onto Premises, and if so brought or found located thereon, the same shall be immediately removed with proper legal disposal, and all required cleanup procedures shall be diligently undertaken by Tenant pursuant to all environmental laws.

If at any time during or after the term of this Agreement, Premises is found to be so contaminated or subject to said conditions, Tenant agrees to indemnify and hold Landlord harmless from all claims, demands, actions, liabilities, costs, expenses, obligations and damages including but not limited to consequential damages of any nature arising from or as a result of the use of Premises by Tenant. This indemnification shall survive the termination or expiration of this Agreement.

- 9. - (c)** Shall not permit Premises to be used for any criminal activity, including drug-related criminal activity, regardless of whether the individual engaging in such activity is a member of the household, an occupant, guest, servant, or invitee, and regardless of whether Tenant is at home during any such offenses.

**Violation of any of the above provisions shall be a material and irreparable violation of this Agreement and good cause for termination of tenancy.** A single violation of any provision of this section shall be deemed a serious violation and a material and irreparable non-compliance. Unless otherwise prohibited by law, proof of violation **shall not require criminal conviction**, but shall be by a preponderance of the evidence. In the event that any provision of this section is violated, Tenant shall be subject to termination of this Agreement, immediate eviction, the forfeiture of all deposits and fees, and shall reimburse Landlord for any and all costs incurred by Landlord as a result of said violation, including but not limited to all costs to make Premises ready for re-leasing and re-leasing expenses.

In case of conflict between the provisions of this section and any other provisions of this Agreement, the provisions of this section shall govern.

Tenant may be charged for repairing or replacing smoke detector(s) and fire extinguisher if Landlord determines that either has been destroyed or tampered with by Tenant or anyone related to, associated with, or affiliated in any way with Tenant. It is Landlord's desire that Premises have at all times a working smoke detector(s) and fire extinguisher. In the event smoke detector(s) or fire extinguisher should fail Tenant shall notify Landlord **immediately in writing** and Landlord shall replace same within seven (7) business days after receipt of notice.

**13. UTILITIES AND SERVICES:**

- (a) Should Landlord receive notification from the governing Association of a violation of the covenants the cause of which is the result of Tenant's failure to maintain Premises properly, or any notice of violation the cause of which is directly attributable to Tenant or Tenant's occupants, family members, guests, servants, invitees, or any other persons related to or affiliated in any way with Tenant, Tenant shall pay Management Agent for each and every violation a violation processing fee **at the rate of one hundred dollars (\$100.00) per hour for each hour of Agent's time—with a minimum charge of one hundred dollars (\$100.00) for the first hour or any portion thereof**—including travel time to and from Premises or other necessary venue, spent responding to such notification, whether such response involves or is directed to Tenant, Tenant's representatives or agents, Association representatives or their agents, or others. Tenant shall otherwise maintain Premises in good condition and repair. Tenant shall not make or permit to be made any alterations, additions, improvements, redecorating or changes in or to Premises without the *prior written* consent of Landlord.

(a) **Damage by persons:** Should Tenant, members of Tenant's household, Tenant's occupants, guests, servants, invitees, or any other persons related to or affiliated in any way with Tenant cause damage to Premises, Landlord may, at Landlord's option, repair Premises and Tenant shall pay for all expenses related to such repair on demand, or Landlord may require Tenant to make necessary repairs according to this Agreement and all such repairs shall be at Tenant's sole expense.

(b) **Casualty damage, mold and mildew, and termination of tenancy:** In the event that for any reason Premises is condemned by any governmental authority, or is damaged through fire, act of God, nature, accident, or for any other reason the habitability of Premises is substantially impaired, including but not limited to the possibility that in Landlord's sole judgment Landlord believes that either there is mold or mildew present in Premises that may pose a safety or health hazard to Tenant or other persons and/or Tenant actions or inactions may be causing a condition that is conducive to mold or mildew presence, Landlord may, at Landlord's sole option, terminate this Agreement and require Tenant to vacate Premises, and Tenant shall hold Landlord harmless for any damages including but not limited to consequential damages suffered, if any.

(c) **Painting:** Except as hereinafter provided, Tenant shall not paint Premises. Notwithstanding the foregoing, Tenant may do touch-up painting, subject to the following:

i. Tenant shall get prior permission *in writing* from Landlord. Tenant shall use only paint provided for or approved by Landlord, which Landlord may provide or approve upon Tenant's *written* request.

ii. If Tenant leaves blemishes, spills or splatters paint, or otherwise does the touch-up paint job in a manner that Landlord judges, in Landlord's sole discretion, to be unsatisfactory, Tenant shall be responsible for Landlord's costs and damages to repair and restore Premises as much as possible, within reason, to its original condition.

(d) **Smoking:** Any damage caused by or related to cigarette, pipe, or cigar smoking, or any tobacco or other smoking product, or the burning of candles or incense, shall not constitute ordinary wear and tear. Landlord may deduct from Tenant's security deposit for all damages and/or costs for the cleaning or repairing of any damage caused by or related to any tobacco product, candles, or incense, including but not limited to: cleaning and/or repairing/replacing HVAC system (heating, ventilating, air conditioning), deodorizing Premises, sealing and painting the walls and ceiling, and repairing or replacing the carpet and/or pads. This includes keeping the HVAC system drain pan and drain line clean and free of obstruction. Filters should be replaced/serviced monthly. System maintenance or repair resulting from abuse, misuse or neglect by Tenant is the responsibility of Tenant.

ii. **Plumbing, caulking:** Plumbing repairs caused by Tenant's abuse, misuse or neglect. Nothing other than human waste and toilet paper shall be flushed down toilets or drains. Items including, but not limited to, wipes, paper towels, feminine products and cooking oil/grease may cause a plumbing back up which would be considered tenant abuse, misuse and negligence. Stopped up drains; commode seats, handles and flappers; and caulking in and around bathtub and shower, kitchen sink and cabinet top/splash board, and lavatories and cabinet tops/splash boards are Tenant's responsibility to maintain.

iii. **Gutters:** Keeping rain gutters in repair and free of leaves and debris.

iv. **Doors, glass, screens:** Repair or replacement of doorstops, broken glass, damaged screens including screen doors and storm doors.

**20. YARD MAINTENANCE:**

a) **Regular maintenance:** Tenant agrees, at Tenant's expense, to maintain the yard in good condition—*i.e.* keeping the grass cut, edged, and trimmed; keeping trash, limbs, etc. picked up and properly disposed of off Premises; keeping the shrubs and other plantings appropriately trimmed and at proper levels, usually not higher than window sills. Deterioration of the lawns and landscaping caused by abuse, misuse or neglect, including damage caused by pets, lack of watering, inadequate fertilizing and weed control, is Tenant's responsibility. Tenant is expected to keep the yard in at least as good a condition as at the beginning of occupancy.

- b) **Irrigation:** If there is an irrigation system on Premises it shall be the responsibility of Tenant to set the controls to insure that the lawn is adequately watered, and to observe the operation of the system periodically to insure that it is operating properly. Failure of the irrigation system, if any, shall not relieve Tenant of this responsibility. In the event of an irrigation system failure, Tenant shall take action to ensure that the grounds and plantings are properly watered, purchasing and using water hoses and portable sprinklers if necessary. In the event that no irrigation system exists, Tenant shall provide, at Tenant's expense, water hoses, portable sprinklers, and any other lawn equipment necessary to ensure that the grounds and plantings are properly watered and maintained.
- c) **Fences:** Tenant shall be responsible for any damage, abuse, misuse, or neglect of fences on Premises caused by Tenant, occupants, guests, family members, or any other persons related to or affiliated in any way with Tenant, or by any pets belonging to said parties. Tenant shall notify Landlord immediately **in writing** of any damage to or deterioration of fences.

**21. AUTOS AND VEHICLES:** Tenant agrees not to park or store a motor home, RV (recreational vehicle), boat or trailer of any type on Premises without **written** permission from Landlord. Tenant also agrees to park no more than two vehicles on Premises and then **only on the driveways and parking areas provided. Tenant shall not park on the grass.** Tenant shall not engage in repair of vehicles on Premises if repairs take longer than one day. No general repairs, restoration, buying, selling or storage of vehicles or parts is permitted on Premises. All vehicles permitted to be kept on Premises must be currently licensed and operational, unless stored in an enclosed garage away from public view.

**22. LOCKS:** Tenant is aware that although locks have been changed on Premises prior to Tenant occupancy, no warranty is made that every possible access to Premises is secure, and Tenant assumes complete responsibility for making Premises secure. **Tenant agrees to check all door and window locks immediately upon taking possession of Premises, and to notify Landlord immediately in writing of any non-working locks.** Should Tenant choose to add or change locks on Premises, Landlord shall be furnished with duplicate keys within seven (7) business days of said change.

**23. INSURANCE AND RISK OF LOSS:**

- a) **Tenant loss or liability:** Tenant understands that Landlord's insurance does not cover Tenant's personal property or protect Tenant from loss or liability. Tenant is responsible for obtaining, **and is urged to obtain**, renter's insurance to protect Tenant's personal property against loss or damage. Tenant **is urged to obtain** personal liability protection in the minimum amount of \$300,000, naming Landlord as an additional insured and, if there is a pool or hot tub/spa, guest medical coverage of \$1,000.00 per person and provide Landlord with copies of insurance binder or policy immediately.
- b) **Tenant personal property:** Tenant's personal property and any other personal property permitted on Premises by Tenant, except that which may be the personal property of the Owner of Premises, is on Premises at Tenant's own risk and Landlord shall not be liable for any loss or damage of same, including but not limited to food spoilage, whether arising from criminal acts, fire, storm, flood, rain, wind damage, acts of God, acts of negligence by any other person, bursting or leaking of water pipes, roof leaks, interruption of utility services, insect infestations, or failure of appliances or other systems.
- c) **Tenant indemnification:** Tenant agrees to indemnify and hold harmless Landlord for any loss or damage including but not limited to consequential damages that may be occasioned by or through the acts or omissions of persons occupying adjoining Premises or any trespassers.
- d) **Tenant notice to Landlord:** Tenant shall immediately notify Landlord **in writing** of any personal injury, property damage or any claim for personal injury or property damage. Tenant further agrees to immediately notify Landlord **in writing** of any damage, malfunction or repair, regardless of cause or amount, to or in Premises or any of its contents or surrounds.

**24. INDEMNIFICATION:** Tenant shall reimburse Landlord upon demand in the amount of any loss including but not limited to property damage or cost of repairs or service, including plumbing issues, caused by the abuse, negligence, or improper use by Tenant, members of Tenant's household, Tenant's occupants, guests, servants, invitees, or others associated with or affiliated with Tenant. Tenant shall indemnify and hold harmless Landlord from all losses, liabilities, expenses, and damages including but not limited to consequential damages that can or may be claimed against Landlord for any injuries or damages to the person or property of any persons, caused by acts, omissions, neglect or fault of Tenant, members of Tenant's household, Tenant's occupants, guests, servants, invitees, or others associated with or affiliated with Tenant arising from Tenant's failure to comply with any applicable laws, statutes, ordinances, or regulations, or the terms of this Agreement.

- (a) Landlord places the duty to keep Premises safe on Tenant. Florida Statutes (F.S. 83.51) allows Landlord to put certain duties of maintenance on Tenant. Florida courts have ruled that where Tenant was responsible for doing maintenance at Tenant's own expense, Landlord was not liable for Tenant's injury, see *Stolzenbert v. Forte Towers South, Inc., 430 So.2d 558 (Fla. 3 DCA 1983)*.
- (b) In the event of a dispute concerning the tenancy created by this Agreement, including but not limited to legal foreclosure proceedings, Tenant agrees to hold Management Agent, its heirs, employees and assigns harmless and shall look solely to the Owner of Premises for redress of grievances and not to Management Agent, since Agent acts at the direction of the Owner and has no ownership interest in Premises.

**25. SUBORDINATION:** It is expressly agreed that Owner reserves the right to subject and subordinate this Agreement at all times to the lien of any mortgage; or mortgages now or hereafter placed upon Owner's interest in Premises; or to subsequent Owners of

Premises who may acquire Premises subsequent to the date of execution of this Agreement including but not limited to transfers of ownership by purchase, gift, or inheritance.

- 26. JOINT AND SEVERAL TENANCY:** Tenant acknowledges that this Agreement is between Landlord and each person executing this Agreement as Tenants jointly and severally. Their obligations are joint and several, and all terms of this Agreement shall be fully binding jointly and severally upon each Tenant. In the event of default by any one Tenant, each and every remaining Tenant shall continue to be responsible for payment of the rent and all other terms of this Agreement. In the event any one Tenant shall default and vacate Premises, that shall constitute a waiver of his/her claim or right to the security deposit and advance rent (if any), and said deposit and advance rent (if any) shall continue to be held for the benefit of remaining Tenant(s) and shall be disbursed in the name(s) of any remaining Tenant(s).
- 27. WAIVER:** The rights of the Landlord under this lease agreement shall be cumulative, and failure on the part of the Landlord to exercise promptly any rights given hereunder shall not operate to forfeit any other rights allowed by this lease agreement or by law. Any waiver of a term or condition of this Agreement by Landlord is not valid unless **in writing**, and shall not be considered as or imply a further waiver of the same or any other condition of this Agreement.
- 28. DEFAULT:** The following shall constitute a default by Tenant:
- (a) Failure of Tenant to pay rent or any additional rent when due.
